ERRATUM

On November 19, 2003, I issued a Supplemental Decision and Certification of Representative in this matter. I am issuing this erratum to correct an inadvertent error in my Report.

On page 3, under OBJECTION ONE, in the 4th paragraph of this section, the Report states “In any event, evidence was adduced that any other voter witnessed the incident; thus even assuming the voter’s ballot was affected, the alleged conduct would not affect the outcome of the election.” That statement is incorrect. This sentence is hereby replaced with the following: “In any event, no evidence was adduced that any other voter witnessed the incident; thus even assuming the voter’s ballot was affected, the alleged conduct would not affect the outcome of the election.”

Dated at Baltimore, Maryland this 26th day of November 2003
